

The Arthur Carhart National Wilderness Training Center, Wilderness50 Planning Team, Bureau of Land Management, U.S. Fish & Wildlife Service, U.S. Forest Service, National Park Service, USFS Region 3, and Sandia Mountain Natural History Center invite you to attend a special 50th anniversary of the Wilderness Act session of...

Wilderness Investigations

Teacher Workshop

A teacher workshop directed towards teachers of elementary, middle school, and high school. Experience cross-curricular lessons and activities from the *Wilderness Investigations Toolkits*, receive your WI Toolkit, and become a WI Teacher with access to additional online trainings, opportunities, and materials. Join us to learn about and celebrate 50 years of the National Wilderness Preservation System and its integral benefits and values.

When: Friday, October 24 (5:00 – 7:30 p.m.)

& Saturday, October 25 (9:00 a.m. – 4:30 p.m.)

Workshop Location: Sandia Mtn. Natural History Center
(In Cedar Crest; just 20 minutes from Uptown; check out the Center's
Website: <https://sites.google.com/a/aps.edu/smnhc/>)

Cost: FREE!

Credit available: 9 ½ hours towards NM In-service
Verification

All *Wilderness Investigations* subject integrated toolkits are correlated to National Standards and Common Core Standards for Literacy
