Sponsorship Description and Benefits

Aldo Leopold is credited with the creation of a land ethic within the Forest Service to set aside land as untamed. He was a strong supporter of wildlife conservation, and author of *A Sand County Almanac*. During his time with the Forest Service he was able to conserve three-quarters of a million acres of mountains, rivers and desert in New Mexico designated as the Gila Wilderness, the first area in the world to be managed as a Wilderness area.

Benefits:

- Company/organization name, logo, link to website, and 30-word description in the featured sponsors section on the conference website, mobile website, and overall 50th sponsors webpage. The designated contact above must provide the official company name, description, high resolution logo file, and website link to the *Wilderness50* Communications Coordinator, Lisa Ronald, lisa.ronald@wilderness50th.org, 406-396-3607.
