Sponsorship Description and Benefits

Founder of the Student Conservation Association, Elizabeth Titus Putnam provided opportunities for youth to learn about conservation, while completing much needed work in Wilderness areas, for nearly 50 years. Since 1957, the Student Conservation Association has grown to become the oldest and largest provider of conservation services that trains the next generation of conservation leaders.

Benefits:

Company/organization name and link to website on the conference website, mobile website, and overall 50th sponsors webpage. The designated contact above must provide the official company name and website link to the *Wilderness50* Communications Coordinator, Lisa Ronald, lisa.ronald@wilderness50th.org, 406-396-3607.

Company/organization name and logo in the digital or printed conference program. The designated contact above must provide the official high resolution logo file to Lisa Ronald.
